ZERO DEFECT ZERO EFFECT (ZED CERTIFICATION)

ZED offers a wide variety of benefits to an organization. The quality standards are applicable to MSMEs who are seeking to improve their internal management and operational system.

The government of India recommended that companies who are seeking to increase their profits in accordance to the environmental consciousness should seek for this certification.

Benefit to MSMEs :-

- ❖ **Credible & reliable vendor database:** ZED Certification ensures that the companies investing in India have a ready-made & reliable vendor base to support their activities.
- ❖ **Reducing negative effect on our environment:** Enhanced environment consciousness making them “Responsible Manufacturers”
- ❖ **Awards & Rewards:** Helps in recognition & achieving the awards & rewards of department of MSME & Export Promotion as high performing ZED units. National recognition helps in showcasing the units globally
- ❖ **Aligning with best practices:** MSMEs will get an opportunity to do benchmark study and learn the best practices across the globe under the ambit of ZED Certification Scheme.
- ❖ **Global Competitiveness:** Enhanced competitiveness of the vendors in the global marketplace so that goods manufactured have no defects and thus leveraging the benefits of quality & cost optimization
- ❖ **Visibility & brand recognition:** “ZED Mark” to enable an MSME to be seen as a company with a leverage over non-rated MSME units.
