Virtual Conclave & Expo

2nd June to 4th June 2022

ONLY ONE EARTH

इस दुन इंसु

जल, थल, वायु, जीवन, हरियाली, इनसे ही है सुशहाली  
आज़ादी का अमृत महोत्सव -

Destroyer or Protector? - Choice is yours!

## ABOUT *parjavaratan*

*parjavaratan* is इत-गुन-इत-इत inceptive conference and expo powered by ICS in association with altruistic agencies and individuals who dream of making a difference to society.

ICS, one of India's leading certifying body, has been commemorating World Environment Day since the last two decades. The mission of this celebration is to invite attention and foster dedication to the cause of a sustainable planet. With our patrons' support, we have been able to reach out to multitudes of audience through this uninterrupted initiative every year. Hopefully, our sustained reinforcement of environmental wisdom will make some difference in the way citizens regard and preserve the environment.

## इत-गुन-इत-इत

Conceived and led by Dr. Sundar Kataria, driven with a mission to elevate the quality, safety and environmental awareness levels of industry. Sat-Gun-Sang is a series of educative, informative events aiming to illuminate professionals on possible solutions to current issues of industry and economy. The ability to invent new devices, techniques and ideas is one of the most basic characteristics of mankind. Keeping in view the sustainability and longevity of our planet, Sat Gun Sang aims to ignite the flame of ideation, innovation and progression in its patrons.

## International Certification Services Pvt. Ltd. (ICS)

International Certification Services is first Indian Conformity Assessment Body accredited Nationally (NABCB) & Internationally (JAS-ANZ, EIAC) with offices at 20 locations in India and 7 abroad. Having assessed and certified over 12500 Indian and foreign companies which include small businesses to huge multinationals and PSUs. ICS can humbly feel contented about having progressed in its mission of protecting lives, preserving the environment and improving quality through its Inspection and Certification Verticals.

## Sundar Jessaram Kataria Foundation (SJKF)

Established in 2003 SJKF is an independent NGO that extends aid and assistance to the needy. The Foundation works with communities to augment income, improve child nutrition, care for the Earth and diminish hunger and poverty.

***Destroyer or Protector?.....choice is yours***

# TECHNICAL SYMPOSIA

**WED - 2022 *parjyavartan***

## **Only One Earth**

World Environment Day will be a 3-days' celebration for discussions with a singular purpose: Save Mother Earth from the demons of environmental destruction.

The three days' Conclave- cum -Expo is scheduled from 2nd June to 4th June, 2022 on Zoom Virtual Platform with invited experts, technocrats, organizations, Institutions to deliberate on preserving the earth and conserving resources for posterity. We at International Certification Services and its group companies along with Sundar Jessaram Kataria Foundation are pleased to invite distinguished professionals like you from around India and the World to this conclave.

We shall be engaging with stake holders from Government, Regulators, Consumers, Manufacturers and Service Providers from several disciplines and sectors to evolve ways to stop the blatant destruction of our planet.

### **Your role in the Conclave:**

We invite your papers/presentation on one of the following sub-topics. The duration of the presentation may please be limited to 15 minutes with a summary and recap of additional 5-minutes. On each day, panel discussion shall be conducted at the end of all presentations during which you shall be one of the panelists who will engage with the audience and panel Chairperson.

If you are a manufacturer or service-provider, you may wish to showcase your offerings to the audience in the Expo section. Please get in touch with us to display your items and deliverables.

### **No participation fees**

#### **◆ Sub-Topics for presentations**

##### **a) Education**

Sensitization: Sensitizing young minds to develop love for environment, case-studies of such sensitization and achievements in colleges, schools, MSMEs, Societies, NGOs

Lessons from Culture and Antiquity: Promoting ancient Environmental practices, cultural, religious and spiritual references to environmental sanctity.

##### **b) Energy**

Sustainable / Renewable Energy Options: Tapping alternate energy sources to replace fossil fuels for current and future energy security

Related initiatives towards Make in India/ Atma Nirbhar Bharat/ Research & Development: Green energy and clean energy – progress being made (including new patents and technologies)

##### **c) Sustainable smart cities and communities**

Development of green towns, cities and smart cities with eco-friendly management of wastes and protection of natural resources.

Restoration of Mother Earth: Preserving bio-diversity and enhancing the quality of environment
